BRAVE AS A LION

As you might have seen, **Roaring Lion** is recovering from **two emergency colic operations** in New Zealand, where he had been due to cover at **Cambridge Stud**. As things stand he's making excellent progress so we're keeping our fingers firmly crossed.

STAFF PROFILE

Xander Brown
Stallions

So Xander, tell us about yourself...

I grew up in Stroud and worked on a livery yard aged 12. I graduated in Equine Science & Thoroughbred Management from Oxford Brookes in 2017 and have since worked at several studs, starting at Tweenhills last December.

How was travelling with Zoustar?

It was so interesting though quite stressful at times as you are solely responsible for an extremely valuable stallion – and electrical storms/plane malfunctions meant the journey took 40 hours! Zoustar was an absolute pro.

Now you're home, how do you relax?

I'm not sure it's relaxing but my girlfriend bought a 3yo National Hunt store horse which we're in the process of riding away for next year. I'm also the proud trainer of a rescued Doberman!

WINNING STREAK

Tweenhills' first-season sire **Hot Streak** recorded his first **Stakes win** as **Flaming Princess** took the Listed Prix Cavalassur at Deauville. Congratulations to her owner The Cool Silk Partnership, breeder Linacre House Limited and breeze-up consignor Dunsany Stables.

ANOTHER SPIRITED STAKES WIN

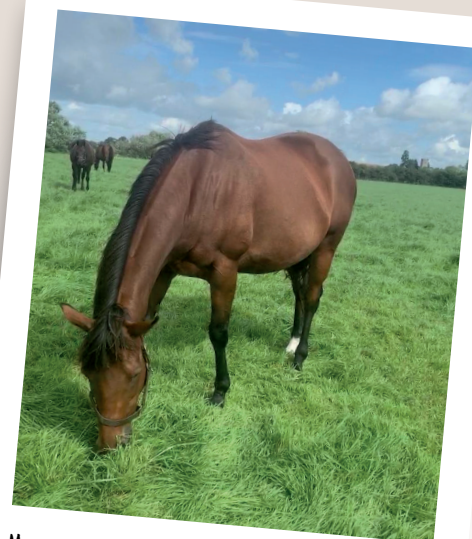

Qatar Racing's **Kick On** – a son of Tweenhills stallion **Charm Spirit** – landed his **second Stakes success** in the **Gr.3 Sovereign Stakes** at Salisbury. He showed a great attitude to beat Gr.1 winner **Accidental Agent**.

Kick On was bred by Shutford Stud and bought as a yearling by David Redvers for 135,000gns.

Here's renowned equine artist Charles Church at Tweenhills working on the landscape for an exciting commission. Watch this space!
