This game will tame lions.

You can never quite prepare yourself for loss or a serious injury but the call is rarely far away when you work with animals. We eat and sleep horses, it's what we do. We understand that the consequences of falling too deeply for a horse will be the pain when something goes wrong. They are after all, living, breathing, fragile athletes but we all get sucked in. It's why we do it.

The loss of Roaring Lion, brought us all to our knees. He was different. To my eyes he was perfect and I've rarely taken more pride in anything. Showing him to the hordes of visitors and enjoying their sense of wonder as they soaked him up, will never leave me.

There is a tribute film on our website that we hope does him some justice. Those of us that were touched by this magnificent beast, from Sheikh Fahad down, miss him savagely but at least we can look forward to searching for him in his only crop of foals.

It's been a tough year but the wheel turns.

2019 was saved for us by Kameko winning the Vertem Futurity Trophy Stakes Gr.1. We can dream that Andrew Balding's stunning son of Kitten's Joy will emulate his paternal half-brother. There is a box waiting for him here but he has big boots to fill.

The last 12 months has seen the spotlight really fall on Zoustar. Since Danehill, no shuttle stallion has enjoyed a more perfect record than Zoustar. Let that sink in. Champion First, Second, and currently Third season sire. Champion sire of three-year-olds from his first crop and leading sire of Stakes horses in Australasia already this year. The first sire to run the trifecta in an Australian Gr.1 in his first crop, and unprecedented sales returns have led to a stud fee in Australia that has trebled in three years.

From the moment we first clapped eyes on Zoustar, we have been 'all in' and he has never let us down, paying back our faith in spades. His stunning book of mares here last season and the support he continues to receive from the best European breeders make him one of the most exciting horses for any breeder wanting to step up. He's a game-changer.

Charm Spirit has matched his early European success in New Zealand where he was also crowned Leading First Season Sire. Our other Champion First Season sire Havana Gold has the most incredible, large crop of foals this year, having covered 183 mares off the back of his sensational first crop of runners. They are stunning and we have pictured a few in here to remind everyone of the quality of stock he has to run for him going forward. This is the season to use him to capitalise when they hit the track.

Hot Streak, was a bullet two year old who improved again at three and his two year olds this year included the rapid Flaming Princess so we hope for even better things next year. Lightning Spear suffered initial fertility issues in his first season, however with management he was returning much improved fertility figures and we will be offering his fans an extraordinarily generous incentive to use him this season. I know I will be supporting him as he has all the ingredients to make it and no horse deserves it more.

Finally, I am delighted to welcome Pieter Van Zyl to join the brilliant team here at Tweenhills in the new role of Stud Manager. Ben Hyde goes on to new challenges with our gratitude after eight years overseeing the rapid growth and development of the farm. Pieter worked here in his first ever stud job in 2000 and 20 years later the wheel turns full circle as he returns having guided Klawervlei to numerous Champion breeders titles in South Africa. His vast energy, experience and enthusiasm will shape Tweenhills for years to come and it is a real coup to attract a man of this calibre.

We are always trying to improve what we do and the service we provide. With Sheikh Fahad's backing we have been able to bring the best the world offers to Gloucestershire. We have the best land, horses and team and are here to offer you a service second to none.

The Farm & Tweenhills Angus

Tweenhills has established a reputation as an outstanding stallion station and farm, and is the home of the Qatar Racing stallions, as well as the majority of the operation's band of broodmares and young stock.

Over the years, following its conversion to a public stud in 1995, Tweenhills has steadily expanded with the addition of five neighbouring farms. The first acquisition was Corsend Farm, which is now home to the foaling unit, another, Chargy Hill, is predominantly a yearling farm and Catsbury is home to the isolation unit. This year, a further 60 acres of grazing land was purchased at Hartpury Court, with plans to install a new purpose-built barn for mares, and convert the historic barn next to the church into an events and wedding venue. There has also been investment in several outdoor all-weather paddocks, new winter barns, offices and reception area. Most recently installed are a three-furlong all-weather trotting ring for foal, yearling and stallion exercise and a canter for pre-training.

“The Angus breed is a world leader in the cattle breeding industry when looking for top quality output and manageable cattle.”

Werner Aucamp
Farm Manager

As well as producing its own oats, barley, hay and haylage, every acre is farmed in rotation with our large resident Aberdeen Angus suckler herd numbering 200. Tweenhills Angus Beef is produced from the grass fed herd and expertly prepared and packed by the farm's local butcher. Among the regular clients of Tweenhills Angus Beef are Gloucester Rugby Club and a number of local restaurants. The beef has a wonderful rich depth of flavour with a fine marbling texture that the Aberdeen Angus is renowned for.
