## Tweenhills | 2019 stallions

### I proudly present to you a most exciting collection of young international stallions.

To retire to stud the World Champion three-year-old would be high among the dreams and ambitions of any stallion manager. Roaring Lion is Sheikh Fahad's 'horse of a lifetime' and we could not be more thrilled to be entrusted with this stunning son of Champion US based sire Kitten's Joy. He would be the headline horse at any of the major studs of the world and he is the horse of dreams for both Sheikh Fahad and all at Tweenhills.

In terms of class, temperament, durability and looks there are few that come close to the wonderful Lightning Spear. Watching his exhilarating win in the Sussex Stakes last summer, together with how cherished this victory was by the racing public, was one of the highlights of the year. Bred by Newsells Park, by sensational sire of sires in Pivotal, 'Spear' represents the very best of British breeding and racing.

To stand the leading British based first season sire two years running with Havana Gold and now Charm Spirit shows our intent to offer the very best European stallions to breeders. However, to offer a horse of Zoustar's huge international

appeal having broken all Australasian records, further proves our ambition to stand the very best stallions in the world.

This year we also launch the 'Your Success = Our Success' scheme. Any breeder who produces a stakes winner by a Qatar Racing owned stallion at Tweenhills will be offered a free return to that stallion. In the event that stallion is unavailable they will receive a credit against one or several of our stallions to the same value. We are determined to reward breeders' faith in our horses and believe that this demonstrates a willingness to share the successes our partnerships bring.

Please also take a moment to look at our new website. We have invested hugely in the infrastructure and team at Tweenhills and I hope that the new site will give you a taste of life at Tweenhills as well as a source for all information regarding the stallions. We are particularly pleased with the new 'Studlife' section which shines a light on our wonderful team and all that goes on here.

We look forward to welcoming you to Tweenhills and showing you Qatar Racing's magnificent horses.

# The Farm

**Tweenhills has long been regarded as one of the finest stock farms in the Ledbury country in north west Gloucestershire.**

**Located at Hartpury in Gloucestershire on prime stock rearing land, Tweenhills covers approximately 750 acres of the finest English pasture with its paddocks and surrounding farms afforded natural shelter by ancient hedgerows and magnificent oak trees.**

The home to Qatar Racing stallions, as well as the majority of the operation's band of broodmares and young stock, Tweenhills has established a reputation as an outstanding stallion station and farm.

Over the years, following its conversion to a public stud in 1995, Tweenhills has steadily expanded with the addition of five neighbouring farms. The first acquisition was

Corsend Farm, which is now home to the foaling unit, another, Chargy Hill, is predominantly a yearling farm and Catsbury is the isolation unit.

In order to maintain the quality of the pasture at Tweenhills, every acre is farmed in rotation with the resident Aberdeen Angus suckler herd and during the winter months the paddocks are grazed extensively by sheep. The farm grows its own oats and barley, as well as the vast majority of its hay and haylage.

In the last twelve months there has also been investment in new stallion boxes and facilities, new loading ramps, re-fenced stallion paddocks and the installation of an owners reception and hospitality area.

**“Following substantial investment in the facilities, the expansion of the farm and the building of a first-class team, we offer a service equal to any of the best farms in the world.”**
