

## GOING THE SPRIGHT WAY

The **Redvers** colours were carried to **success** for another time this season when two-year-old **Spright** won a Class 2 conditions race at Chester. It was the second win of the year for the Karl Burke-trained filly who is by **Charm Spirit** and deserves her chance at Stakes level.

## MORE GOLD FOR SILVER

The Archie Watson-trained **Silver Machine** was also a winner for the **Tweenhills Fillies syndicate** since our last Studlife page.

## TWEENHILLS TEAMWORK

There was also a Tweenhills football game in which **Sophie McCarthy** (centre) was crowned '**Woman of The Match**' – she drunk her prize, helped by **Dayna Walsh**! **Adam Brookes** is smiling but will surely have been disappointed with his performance!

## KING OF KINGSCLERE

A few lucky members of the Tweenhills Team went on a trip to **Andrew Balding's Park House Stables** in late-August and got to see the fastest 2,000 Guineas winner of all time, **Kameko**. We can't wait to see him standing at Tweenhills in the future!

It was great to welcome a new member to the extended Tweenhills family when last year's Champion Apprentice and Gr.1 winning jockey **Cieren Fallon** signed as second rider to **Qatar Racing** behind Oisin Murphy. Cieren won on **Lost In Space** on just his second ride in the colours!

## STAFF PROFILE

**Ben Shoare**  
Stud Hand

**Tell us about your time at Tweenhills...**  
Well, I've only been here for 2 months but am enjoying it greatly. I'm originally from West Sussex and have only just graduated from Leeds Beckett University. Over the last 5 years or so I've decided to pursue a career in racing and bloodstock, so it's fantastic to work with top racehorses in their second careers at Tweenhills.

### And how do you spend your free time?

Aside from keeping on top of the racing, I'm a keen golfer and cricketer – I had some memorable times opening the batting for the Sussex Second XI and playing a couple of first-class games while at uni too. I also play the ukulele!

### Can you give us a few horses to follow?

Well, firstly the filly in the my photo – a yearling by **Dark Angel** out of **La Rioja**. I'm looking forward to **Topofthegame** retuning in the **Ladbroke's Trophy**, hoping he can produce a '**Denman**' performance. I also really like **Space Blues** for the **Prix de La Foret**. Having followed **Enable** to Paris last year, I cannot wait for her **Arc** clash with **Love** and others.

*Ivo Thomas showing he's not just a horse whisperer.*
