

KAMEKO JOINS TWEENHILLS STALLIONS

Kameko, the fastest ever Guineas winner, is to retire to Tweenhills at the end of his three-year-old campaign.

Kameko became Qatar Racing's third European Gr.1 Classic winner after Simple Verse and Just The Judge. He was also an impressive winner of the **Gr.1 Vertem Futurity Trophy** at two and successfully gave weight to world-class older horses in the **Gr.2 Joel Stakes** in September.

The son of **Kitten's Joy** – the same sire as Qatar Racing's late world champion

Roaring Lion – joins **Zoustar**, Champion First-, Second- and Third-Season Sire in Australia, Gr.1-winning sire **Havana Gold** and champion older miler **Lightning Spear** at Tweenhills for the 2021 breeding season.

Kameko will run in the Breeders' Cup Mile. He will then be paraded for breeders, along with other Tweenhills stallions, at Longholes Stud in Newmarket during the **Tattersalls December Mare Sale**. His 2021 stud fee and syndication plans will be announced in due course.

How it started...

I grew up in Worcestershire and have always been into horses – it came from my grandad as he had Shires and Thoroughbreds. I did low-level eventing and started freelancing when I got a bit older. I've always known I wanted to work with horses. I worked for a sport horse stud in Shropshire and last year went to the National Stud and Coolmore Australia. I then saw there was a job opportunity at Tweenhills.

How it's going...

I started here in January and assisted Sammy with the foaling until June. I just love foaling and am especially fond of Stella Blue and her Zoustar filly (both pictured with Sally) – the mare has a great personality and I foaled her down.

I also really enjoyed going on trips to Newmarket with mares being covered – one of those was Sparkle Roll, who I adore. I'm already looking forward to next year's foaling season.

And away from horses...

I like travelling and history. I love France and have been quite a bit. I've obviously been to Australia but would like to see New Zealand – the scenery looks amazing. Ancient Egypt really fascinates me too. I'm also into Heavy Metal – my favourite band is Iron Maiden.

PICTURE PERFECT

It was great to have photographer Melanie Sauer at Tweenhills taking pictures of youngstock.
