

## ZOU-STAR TRIO RETIRED TO STUD

Three of **Zoustar**'s best performers have been retired to stud in Australia, including **triple Gr.1 winner Sunlight** who heads to the Magic Millions National Broodmare Sale on the Gold Coast in July.

"She's probably one of the highest-credentialed mares to go for sale in Australia for a long, long time," said

Magic Millions' managing director Barry Bowditch.

**Zousain** and **Sun City** will both now take up stallion duties, the former alongside his sire at Widden. Zoustar himself covered another full book of quality mares at Tweenhills this year and we cannot wait to see his first Northern Hemisphere offspring race in 2022.

#### How have you spent lockdown?

I have been watching plenty of replays to refresh my memory on all the key horses for when racing returns; making sure I know which fillies are on the cusp of black type too. As a punter, it will be fascinating to see if any of the angles I thought were there pre-lockdown remain.

#### What do you do away from racing?

I listen to lots of music and play guitar at every given opportunity. I enjoy running (which has kept me sane – well sort of – the last few months) and playing football and golf. Sadly, weeks of staying at home hasn't done much for my FIFA game.

#### Give us some horses to follow...

Naturally, we are all excited about Kameko but I'll pick Enemy as my colt to watch; he travelled like a very smart horse on debut and I think his pedigree blend will make him a miler. The scopey Run Wild is a filly to keep on side in mile to mile and a quarter Stakes races.
