

HAVANA GOLD STAKES TALLY NOW FOUR

Havana Gold gained his third and fourth Stakes wins in March courtesy of Headway and Barade, the former showing an electric turn of foot at Lingfield...

Headway, twice Gr. 2-placed as a two-year-old, was around 10 lengths adrift of the leader when shaken up around two furlongs out yet won the Listed Spring Cup by a cosy length.

Congratulations to his owners The Royal Ascot Racing Club, breeders Whatton Manor, Global Equine and Larry Stratton,

and buyers John and Jake Warren – he was outstanding value at 60,000gns!

Barade showed a fantastic attitude when winning the Listed Prix Maurice Caillault at Chantilly on his French debut (also won in Sweden). He was bred by Haras de la Huderie, bought by Meridian International for €58,000 at Arqana and carries the colours of Finn Blichfeldt.

The genuine Barade wins a Chantilly Listed race

...AND FOUR CLASSIC ENTRIES

Classic-entered Raid winning on debut

Entries have been made for the Newmarket Classics and Havana Gold has three sons in the 2,000 Guineas and a daughter in the 1,000 Guineas.

Headway and unbeaten pair Raid and Tabdeed could all represent Havana Gold in the colts' Classic on Saturday 5 May. Raid is owned by Qatar Racing, as is Havana Gold's unbeaten 1,000 Guineas contender Worship.

No second-crop sire has more Newmarket Classic entries than Havana Gold and, with Gr. 1 Commonwealth Cup contender Havana Grey also on his team, he looks set for another big year.

ZOUSTAR FILLY WINS GROUP RACES

Sunlight (right) wins the Gr. 2 Silver Slipper

The future looks very bright for Australian first-season sire Zoustar after his daughter Sunlight won both the Gr. 2 Silver Slipper Stakes and Gr. 3 Magic Night Stakes.

Sunlight beat chief market rival Estijaab after a battle in the Silver Slipper and her winning time was only 0.61 outside the race record. Sunlight completed the five-timer in the Gr. 3 Magic Night and is now favourite for the Gr. 1 Golden Slipper, which takes places as this issue goes to print.

Sunlight has been a superb advertisement for her sire Zoustar, who also recorded his first double when newcomer Lean Mean Machine and Madam Rouge won at Warwick Farm on March 14. Exciting times.

TWEENHILLS GRADUATE WINS GROUP 1

The Qatar Bloodstock-bred North America was a runaway winner of the Gr. 1 Al Maktoum Challenge R3 at Meydan on March 10.

North America was born and raised at Tweenhills until being sold as a foal. After going down by a neck to Thunder Snow in February, he reversed the form in Round 3 of the Al Maktoum Challenge.

North America is out of the Yankee Victor mare Northern Mischief, who was bought by David Redvers for 120,000 guineas at Tattersalls in 2011 carrying North America.

North America – a Gr. 1 winner born at Tweenhills

North America was sold as a foal to John Ferguson for 100,000 guineas.

Another Tweenhills homebred, former Royal Ascot runner-up Bletchley, made a winning start to her career in the US on March 15. She is now trained by Mark Casse for a partnership between Keystone Racing and Qatar Racing.
