

ZOUSTAR IS COMING FOR 2019

Young sire sensation Zoustar

We are delighted to announce that record breaking Australian first-season sire Zoustar will stand at Tweenhills for the 2019 breeding season.

Zoustar will join the Qatar Racing stallion roster and European breeders will have access to the most promising young stallion in the southern hemisphere.

Zoustar's first crop of two-year-olds include Gr.2 winners Sunlight, Lean Mean Machine and Zousain. His progeny have earned more than A\$3 million and therefore he has broken the all-time prize money record for an Australasian Champion First-Season Sire.

Zoustar was 3-year-old champion sprinter and he's by Northern Meteor, a Champion First-Season sire in Australia himself. Northern Meteor was by two-time Australian champion sire Encosta de Lago. Please contact us to discuss nominations for your mares.

Roaring Lion finished third in the Derby

LION ROARS TO DERBY THIRD

Roaring Lion confirmed himself a top-class 3-year-old when third in the Investec Derby at Epsom.

Roaring Lion came within two lengths of giving Qatar Racing a first Derby when behind Masar and Dee Ex Bee, and in front of 2,000 Guineas winner Saxon Warrior.

Roaring Lion's trainer John Gosden said: "He ran a blinder and we are really happy with him. He's a mile-and-a-quarter horse and we will go to the Gr. 1 Coral-Eclipse at Sandown (July 7) next."

Roaring Lion is by Kitten's Joy, sire of 2016 Eclipse winner Hawkbill, out of Gr. 1-placed mare Vionnet. He was purchased by David Redvers for \$160,000 as a yearling at Keeneland.

How did it start?

I grew up in Cumbria but moved to Stroud around 7 years ago. My family aren't into racing but I've always been around horses and had my first pony when I was about 9.

Right on course...

I had never worked with racehorses until getting a job with Kim Bailey on my gap year in 2017. I start a bloodstock degree at the Royal Agricultural University in Cirencester this year. At Tweenhills I've worked alongside point rider Ed Bailey, who is going into his third year at RAU.

Going for Gold...

I will have done 6 months at Tweenhills when I finish in October and have enjoyed working with the foals, seeing the vetting, learning about reproduction etc. I ultimately want to be a National Hunt Bloodstock agent and buy the Gold Cup winner!

Pallasator and the Qatar Racing team

ROYAL ASCOT WINNER

Qatar Racing celebrated its latest Royal Ascot winner when the popular Pallasator won the Queen Alexandra Stakes.

Winner of the Gr. 2 Doncaster Cup when trained by Sir Mark Prescott, Pallasator has bounced back to form for Gordon Elliott, also winning a charity race under Norman Williamson and a Gr. 2 hurdle. He was given a great ride by Jamie Spencer in the final race at Royal Ascot.

On the eve of Royal Ascot, Tweenhills stallion Hot Streak gained many new fans when parading at the Goffs London Sale, held in association with Qipco at Kensington Palace.
